**References**

List the names and addresses of two references, one from an instructor and one personal. Do **not** use relatives as references.

Please ask each of your references to write a letter of recommendation, place it in a sealed envelope and give it to you to include with your application package.

---

**Essay**

On a separate sheet of paper write a short essay (approximately 500 words) on the following topic: ***Why I am interested in pursuing a career in engineering.***

Your interest, understanding and commitment to the engineering profession are important and should be reflected in the essay.
